REVERT OPTION: Revert To Landlord When Tenant Requests Disconnection
 Do Not Revert — Disconnect Electricity

When the service addresses listed above are vacated by the tenant, the landlord of such properties authorizes Graham County Electric Cooperative (GCEC) and Graham County Utilities (GCU) to transfer all applicable services to the name listed above. In the event the landlord has a past due balance in the process of collections, it must be paid in full before any rental property will be reverted into the landlord's name. In the event the Tenant at the property is disconnected for non-payment, it will be the responsibility of the Landlord to contact GCEC/GCU to have service reconnected in the Landlord's name. The Landlord is responsible for all applicable service connection and disconnect fees as outlined in the Cooperative utility tariffs. GCEC/GCU reserve the right to collect additional security deposits and/or void this agreement if the Landlord becomes delinquent in paying utility bills.

IT IS THE LANDLORD'S RESPONSIBILITY TO CONTACT GCEC/GCU IF ANY PROPERTIES ARE PURCHASED OR SOLD. The revert option chosen above will be followed for each property and will be your financial responsibility until GCEC/GCU is notified of the change in ownership.
