ATTENTION ALL MEMBERS:

Effective **June 1, 2012**, the non-payment disconnect date will be moved to **Wednesday** for each billing cycle. If payment is not received within 25 days from the billing date then service may be disconnected upon 5 days written notice. **Accounts that have been disconnected for non-payment may be required to pay an additional security deposit charge of \$50 plus applicable reconnect fees.**

New residential security deposit procedure now requires a credit check. The amount of the deposit will vary depending upon the results of the credit check and the average customer usage in accordance with ACC rules.

(This notice was sent to all customers on the utility bills for the month of May 2012)
