### **RATE SCHEDULE PGA – PURCHASED GAS ADJUSTOR**

#### **I. Applicability**

Applicable to all therm sales of gas provided to all customers within the Utility's certificated service area.

#### **II. Gas Adjustment Procedure**

The Purchased Gas Adjustor ("PGA") rate will be increased or decreased on a monthly basis to compensate for the difference between the actual cost of natural gas and the amount the Utility recovers for its cost of natural gas. The PGA rate is based on a rolling twelve month average cost, limited by a \$0.15 per therm annual bandwidth. The PGA rate cannot vary by more than \$0.15 per therm from any rate in place during the previous twelve months as authorized by the ACC in Decision No. 71690 dated May 3, 2010.

#### **III. PGA Bank Balance**

The Utility shall establish and maintain a PGA Bank Balance (PGABB). Entries shall be made to this account each month, if appropriate, as follows:

1. A debit or credit entry equal to the difference between (a) the actual purchased gas cost for the month and (b) the amount determined by multiplying the Purchased Gas Adjustor Rate as set forth on the Statement of Charges in this Tariff by the therms billed during the month under the applicable rate schedules of this Tariff.
2. A debit or credit entry for refunds or payments authorized by the ACC.
3. A debit or credit entry for interest to be applied to over- and under-collected bank balances based on the Three Month Financial Commercial Paper Rate as published by the Federal Reserve as authorized by the ACC in Decision No. 68600 dated March 23, 2006.

#### **IV. Monthly Informational Filings**

Each month the Utility shall make a cost of gas informational filing with Commission Staff to include any and all information required by Decision No. 61225 dated October 30, 1998.

**V. Additional Requirements**

A special review is required if the PGABB reaches an over- or under-collection in the amount of \$250,000 for three consecutive months as authorized by the ACC in Decision No. 71690 dated May 3, 2010. The Utility must file an application for a PGABB surcharge adjustment upon completing the Monthly Informational Filing that illustrates the threshold has been exceeded or file a notice in the docket explaining why an adjustment is not necessary at this time. The ACC, upon review, may authorize the balance to be amortized through a predetermined surcharge rate included as part of the PGA for a specified period.

**VI. Effective Date**

This rate schedule is effective for all billings on or after July 1, 2018 as authorized by the ACC in Decision No. 76754 dated June 25, 2018.
